LEARNING PROGRAMME

Achieving green living areas, from buildings to cities and territories.

Learn how to achieve more sustainable Mediterranean cities and territories

Inauguration
10th June
10:00 am (CET)

Cynthia Echave EMEA
Alexia Boulanger ENVIRONMENT PARK

Joint action organised by:

Interreg Mediterranean EUROPEAN UNION
RENEWABLE ENERGY

Interreg Mediterranean EUROPEAN UNION
EFFICIENT BUILDINGS

Interreg Mediterranean EUROPEAN UNION
URBAN TRANSPORTS

Interreg Mediterranean EUROPEAN UNION
GREEN GROWTH

Joint action organised by:

Which is the objective?

Learning how to set a **holistic and systemic thinking approach** to key actions and strategies addressing **energy transition, sustainable mobility and circular economy**.

Which is the objective?

Provide an **interactive experience** that combines the access to **e-lessons** and **online tools** together with **teamworking** with people from different countries.

Also enable **networking** among complementary backgrounds.

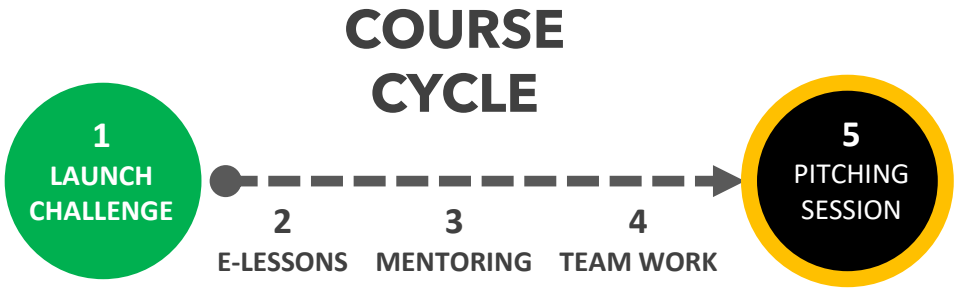
How it is structured the learning program?

CALENDAR

From 10th June to 13th July 2022

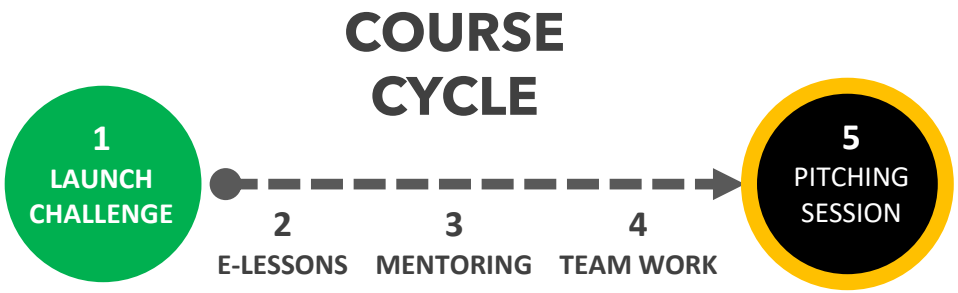
3 COURSES:

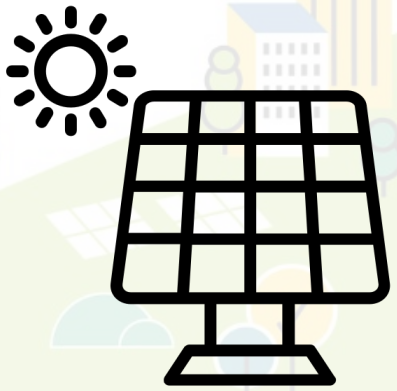
1) Green living buildings (10 – 23 June)
2) Green living cities (27 June – 6 July)
3) Green living territories (7 July – 13 July)

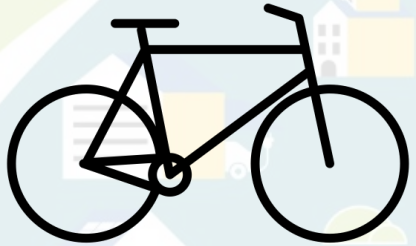


We challenge you to...

1. Integrate self-sufficient energy facilities
2. Achieve best energy investment
3. Maximise the energy efficiency in your building
4. Achieve an active mobility
5. Reduce the impact of what you eat

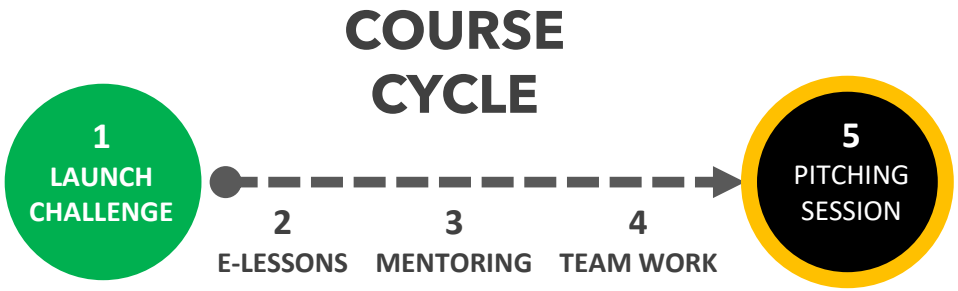


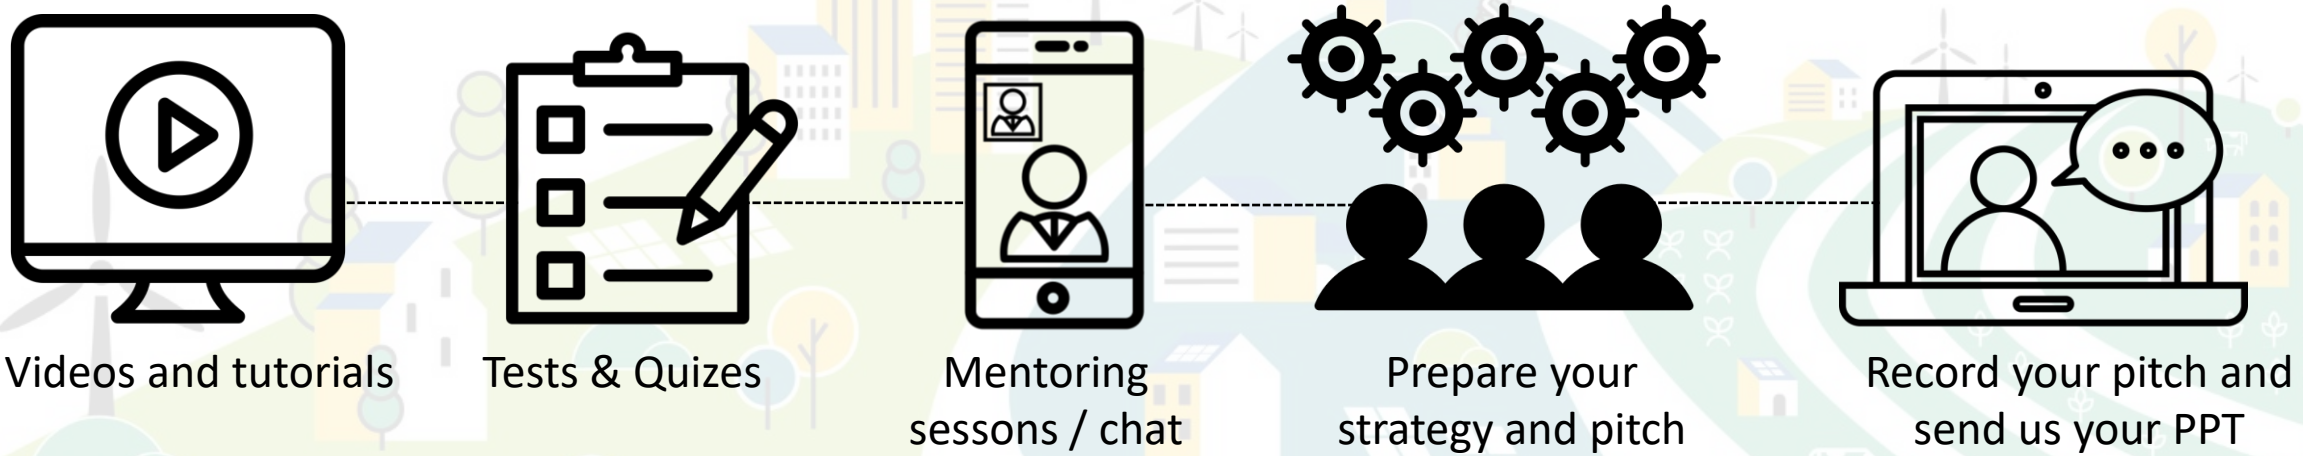




What we expect you to do?

1. Watch the e-lessons by your own and test yourself
2. Raise your questions and doubts to mentors
3. Discuss and set-up your strategy (individual/teams)
4. Try to apply the tools provided
5. Prepare your pitch





Build your storytelling!

Course 1
Green living buildings
You may choose a school, offices or public building for energy efficiency challenges

Build your storytelling!

Course 2
Green living cities
Now imagine the context of the building and how their users can achieve an active mobility

Course 1
Green living buildings

Interreg Mediterranean GREEN GROWTH

Interreg Mediterranean EFFICIENT BUILDINGS

Interreg Mediterranean URBAN TRANSPORTS

Educational team

Educational directors:
Cynthia Echave – EMEA
Alexia Boulanger – ENVIRONMENT PARK

Course 1
Green living buildings

RENEWABLE ENERGY COMMUNITY:
AEGEAN: Emanouil Kamilakis
Environment Park: Alexia Boulanger
EMEA Cynthia Echave
Revolve: Patricia Carbonell; Marta Castillo; Alicia Fabrega

EFFICIENT BUILDING COMMUNITY:
IREC: Jordi Pascual Pellicer; Nadia Soledad Ibañez Iralde; Emilio Hernando Arévalo
CMCC: Eugenio Sini, Andrea Bigano, Giulia Galluccio

TEACHERS:
AEGEAN: Emanouil Kamilakis,
Environment Park: Fabienne Bosc
ENEA: Maria-Anna Segreto
REGEA: Marko Čavar

Course 2
Green living cities

URBAN TRANSPORTS COMMUNITY
MedCities - Josep Canals, Laia Vinyes
UNIMED - Ermete Mariani

TEACHERS:
Esther Anaya - Active mobility expert
Josep Canals - Secretary Gral MedCities

CONTRIBUTORS:
Durres Municipality - Floreta Kertucha
Barcelona Metropolitan Area - Mariona Conill
Area Science Park - Fabio Tomasi
POLIS Network - Claudia Ribeiro
CIVINET CY EL - Christos Gioldasis
CODATU - Héloïse Chaumier; Noémie Mené

Course 3
Green living territories

GREEN GROWTH COMMUNITY
CT BETA UVIC-UCC
Mercè Boy; Maria Calderó
REVOLVE: Patricia Carbonell; Marta Castillo; Alicia Fabregas
CUEIM: Valentina Oliviero; Gaetano Zarlenga

TEACHERS:
Circular Economy Enabler: Andreas Ellenberger
SARGA: Ruth Aguarod
FEDERALIMENTARE: Maurizio Notarfonso

CONTRIBUTORS:
TAISI: Alberto Pablo
CARNISIMA: María Gómez
CRITT AGROALIMENTAIRE PACA: Estelle Marin
ENEA: Sara Cortesi

Thank you and enjoy your courses!
